Checking as of 12/27/07 \$5019.50

#### **Old Business**

**Chair Person:** Jacki put together an email after last meeting that explained the roles of the Chair person. In the email that Vernetta sent out along with this document was a request for nominations to be received no later than February 20, 2008. Vernetta received zero nominations for the position of chair.

Discussion occurred regarding the impact or the importance of the group and if it is valid to continue. Overall the group is interested in continuing to sponsor trainings. However, time constraints are limiting the commitment and availability of all members. It was decided that Vernetta would look into the options and any issues associated with becoming a subcommittee of another group such as the CMT.

## **New Business**

**JSEC State Meeting** – Vernetta announced the dates for the State meeting. This will be April 14 – April 17 in Great Falls. The Job Service has money to pay for one person for mileage and lodging for this trip. This will be the last year this funding will be available. There is a registration cost of \$155 per person in attendance. Anyone interested should contact Vernetta at Job Service.

**Training** – In the discussion of “What should we do” the topic of sponsoring the training for someone to open a day care came up. The idea would be to sponsor the child care training, business training, and finding a mentor for someone to get started. This was tabled until we determine the future of JSEC.

Renee announced there will be an E-Commerce training in Sidney April 2-3<sup>rd</sup>. More information will be coming in the paper.

**Next Meeting:** March 20, 2008 – Sidney Country Club
